Donal felt that the *Apricot* tale had become rather exaggerated of late.

## INTRODUCTION

Welcome to Dickie's Bar, ledger of libations.

On the list you'll find only the finest of seasonal snifters, tipples, liveners and bracers. Inspired and compiled by the great Irish outdoors, join our friends as they hunt down the best materials to toast their achievements.

After a strenuous day's plant-hunting or something equally arduous – bonsai carpentry or goldfish milking perhaps – Dickie, Sergeant Taylour and Donal agree there's nothing better to help one unwind, and to stiffen the resolve for the next day's valiant endeavours.

Cin-cin!
